**AHMET ASLAN BAND
CONTRACT RIDER**

Please read this Rider carefully. It is part of the attached Contract for performances by Ahmet Aslan Band. By signing it, you are agreeing to provide the artist with production and working conditions which are absolutely essential to the performance. If you have a problem fulfilling any of the requirements, please contact the artist's representative immediately to solve the problems in advance. We do not want problems on the day of the concert. If you do not provide the required production and working conditions on the day, it will be considered a Breach of Contract and may lead to the cancellation of the concert without releasing you from your obligation to pay the concert fee to the artist in full.

If you have any difficulties in fulfilling the requirements contained in this Rider, or have any questions, please contact:

Riza Okcu, StageArt Organisation, Bozkurt Mah. Türkbeyi Sok. No:8 D:2 34375 Şişli İstanbul Turkey. E-mail: info@stageartorg.com; tel: + 90 212 230 24 24; fax: + 90 212 230 94 38

I have read the following pages and agree to adhere to the contents. Valid only when signed by both parties unamended. If amended, each amendment initialled by both parties.

SECTION ONE: TECHNICAL

PA SYSTEM

Powerful high quality amplification is of crucial importance. The promoter shall provide, at no cost to the artist, the following equipment:

Front of House

3 or 4 way System: Christian Hell, D&B, Turbosound, Meyer...driven by professional amplifiers, Crossovers and stereo graphic EQ (no parametric, no digital) must be accessible to engineer. The full PA system must be on a separate and independent phase of mains, and free from buzz, hum and interference.

Minimum 16 Channel desk

Monitors

Minimum of 16 channels desk quality as specified for FOH – 12 sends

Minimum of 15 wedges (including listening cue) on 3 mixes

Multicore must be complete, effects and inserts connected, and the system EQ'd to suit the auditorium. The front of house mixing desk must be in a central position in the house, directly in front of the stage and not close to a wall or under a balcony.

The promoter will provide an experienced, English speaking crew to set and maintain the equipment including a front of house engineer and a monitor engineer familiar with the equipment used and monitor mixing in general.

BACKLINE

The promoter to provide the backline equipment and ensure that it is set up according to the attached stage plot prior to the artist's load in.

All power to the stage MUST be RCD protected and completely separate from lighting circuits.

Marshall JCM 2000 TSL (Triple Super Lead) or

Marshall JCM 2000 TSL 100 and 1960A Package

Guitar amp. is required. If these two amps are not available, please contact Mr. Riza Okcu for the confirmation of other possibilities.

Also:

An upright bass (3/4) with, if possible low edge or adjustable edge is required.

A pair of congas is required.

TRACE ELLIOT 7210 SMC Bass Amplifier (300 Watts) or

HARTKE 3500A Bass Amplifier (350 Watts)

Bass guitar amp. is required. If these two amps are not available, please contact Mr. Riza Okcu for the confirmation of other possibilities.

And Also:

LOCAL CREW

The promoter shall provide the following number of personnel without fail:

LOAD IN: 1 Stagehand, 2 PA Technicians, 1 house electrician

ON SITE AT LOAD IN TIME AS AGREED

CONCERT: 2 PA Technicians, 1 Lighting Operator

LOAD OUT: 1 Stagehand

IMMEDIATELY AFTER THE CONCERT to load-out artist's equipment

– this takes priority over other tasks.

LOAD IN & SOUND CHECK

All stage, sound and light equipment provided by the promoter is to be operable and placed in concert position prior to artist's load in so that the artist may not incur any delays starting scheduled sound check due to incomplete instrument, sound, stage or light set up. All power requirements must be in full operation prior to artist's load in. All power to the stage MUST be RCD protected and completely separate from lighting circuits.

SECTION TWO: TRAVEL

The promoter shall pay for all the air and ground transportation in accordance with the contract according to the needs of the artist. Turkish Airlines and Lufthansa is preferred for flights. For the ground transportation, enough number of VIP vehicles including driver(s) are needed to carry all the instruments and the personal baggages of six people. Before booking or hiring any means of transportation, the consent of the management must be granted. For the double bass of Mr. Ali Ekber Kayis , if doublebass is not or could not be hired, for travelling by air, it's important to have authorization for transporting the Bass as Luggage. Most of the time, there is an extra overweight payment which will be charged to the promoter. The bass is with a retractable neck. Measures are : 125/77/44 cm weight 30 kg.

SECTION THREE: VENUE

ACCESS

The artist's crew should have exclusive access to the concert venue 4 hours prior to the start of the concert with the local crew on hand. The artist's crew requires 1 hour for the set up of the equipment, 1 hour for the sound check and 2 hours off before the concert. Every effort will be made to ensure that the sound check is completed two hours prior to the start of the concert. However, the promoter shall not allow the audience to enter the performance area until the sound check has been completed which should first be cleared with the tour manager.

AUDITORIUM

The stage area should be a minimum of 5m deep x 9m wide and must be stable. For outdoor performances the stage must be completely covered and weatherproof by a suitable and stable roof that will protect the artists and their equipment.

The promoter agrees that the stage area will be kept free of the people and equipment not necessary to the production during the time it is assigned to the artist. The promoter agrees that the auditorium will be kept free of all unauthorised persons during load in and sound check. The tour manager shall have the authority to authorise admittance or rejection of any person until the house has been opened to the public.

POWER

The promoter will provide adequate, clean, electrical services and electrical facilities for

the installation and operation in a safe manner of the above equipment. The house electrician shall be available at the venue for the hook up of PA, backline, lights and artist's equipment at load in. All power to the stage must be RCD protected and completely separate from lighting circuits.

PARKING

The promoter shall provide and pay for suitable parking facilities at the venue (from load in until load out)

and hotel for the artist's equipment van and/or coach (12m long).

DRESSING ROOMS

The promoter shall provide large clean air conditioned and heated dressing rooms with private bathroom facilities for the sole use of the artists. The dressing room should be supplied with **8 clean towels**, hot and cold water, full length mirror, table and chairs, clean rubbish bin.

The promoter shall be responsible for the security of the items in the dressing room and for keeping all unauthorised persons from entering said area. The dressing room should be capable of being locked and the key shall be available to the tour manager.

SECTION FOUR: HOTEL

A minimum 4 star hotel including breakfast is needed. Management must be notified of any hotel changes immediately.

Rooms required: 5 x singles

SECTION FIVE: HOSPITALITY

In accordance with the Contract, breakfast at the hotel must be supplied free of charge.

CATERING

The promoter shall provide the following catering in the dressing room:

sandwiches (chicken, cheese, vegetarian - **no pork**) in sufficient quantities for

8 people

fresh fruit

nuts, crisps, chocolate, tea, coffee (machine), milk, sugar, cups, spoons

5 litres sparkling mineral water

5 litres still mineral water

1 litre of orange juice

1 litre of apple juice

1 bottle of good red wine

1 bottle of good white wine

15 cans of premium lager and bottle opener

Hot Meals

The promoter shall also provide a proper hot meal for each member of the party which should be served at the venue or nearby restaurant at a time to be agreed with the tour manager on the day of the concert and during any rehearsal days. This does NOT mean fast food. **All the members do not eat PORK!**

As an alternative to the hot meal, subject to the advance approval of the artist, the promoter may make a cash payment of Euros 40, US\$60 or £25 per person for each member of the party. The said payment should be made to the tour manager at **load in.**
